Monthly Calendar

Thursday, May 22—Last day for T/Th classes; Program & picnic

Friday, May 23—Last day for MWF classes; Program & picnic

END OF YEAR PROGRAMS

Our end of the year programs will be held on the final days of classes. Teachers will be sending home more details soon.

FINAL TUITION PAYMENTS DUE

Many of you have already sent in your child's tuition for May, and we appreciate each and every payment. We are a non-profit organization that depends solely on tuition to meet our budget, so timely payments are essential to our program. Due to some unfortunate situations which have occurred in the past, we must insist that all tuition for the year be paid in full by **May 10th** in order for your child to attend the remaining weeks of preschool. We hope you feel this year has been a worthwhile investment!

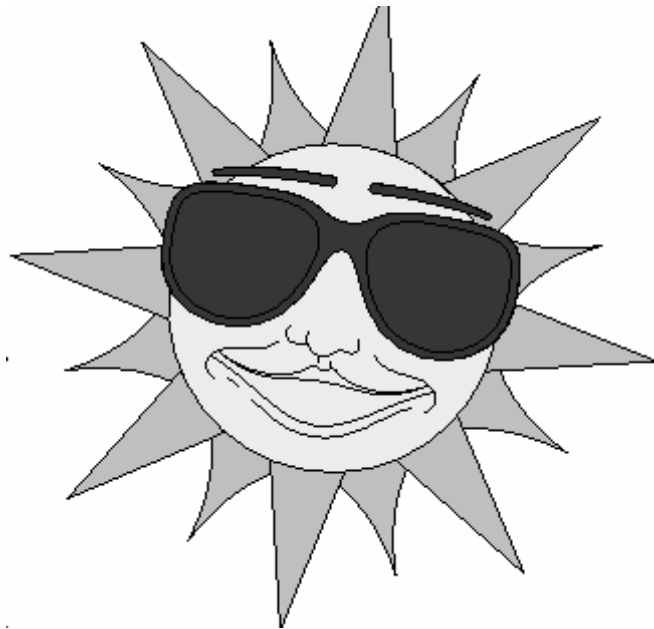

Bridge Work

Please remember to allow extra travel time when dropping off and picking up your child if you must cross the Hastings Bridge. Authorities are recommending that we plan an extra 60 minutes of travel time once the 24/7 work begins.

OVER

HAPPY SUMMER!

We wish all of you a wonderful summer. Thank you so much for entrusting your children to us. We wish all of our "graduating" students great success in kindergarten. To those who will be returning next year, you may continue to check our website for any information about fall classes. Open house packets and teacher assignments will be mailed the week of August 18, and open houses will be held August 25, & 26.
